**"The Magic of a Mother's Touch"**

There's magic in a Mother's touch, and sunshine in her smile. There's love in everything she does to make our lives worthwhile. We can find both hope and courage just by looking in her eyes. Her laughter is a source of joy, her words are warm and wise. There is a kindness and compassion to be found in her embrace, and we see the light of heaven shining from a Mother's face.
