

To All Administrators, Staff + Employee,

We can not express our heartfelt thanks enough to all past + present, who over the 12½ yrs. touched our Grandmothers life. It was shone by all the great care, a smile, hug or a simple wave. She had a great "family" in all of you.

A special thanks to Lisa Hubbard + office who gave us so much more than help and support with Gram and my family.

Gladys Marino's Granddaughter

Siri + Vic Malagisi
